

Grace Enterprises

Grace Enterprises run diverse social enterprises which employ and support people who would otherwise struggle to find and keep a job, through a commercial cleaning company (Radiant Cleaners), a marquee hire company (Jubilee Events) and a biscuit-making company (Half the Story).

CHALLENGE

Thousands of individuals in the UK are categorised as long-term unemployed, and many face various difficulties when trying to enter the workforce.

SOLUTION

Grace Enterprises run diverse businesses which focus on employing people with barriers to work, paying the Real Living Wage and providing the holistic support needed to set employees up for success.

REVENUE

Income is generated through multiple trading subsidiaries, each delivering a quality service or product for their customers, but the real impact comes through the life-changing employment opportunities provided to those who need it most.

IMPACT

Grace Enterprises has employed 120 people overall, with 50 current employees - 40% of those had been unemployed for more than a year prior to starting their job.
