

# Corsham Gymnastics Academy

*Corsham Gymnastics Academy (CGA) is an established gymnastics club based in Wiltshire. The club offers programmes that are inclusive to all from baby gym, pre-school, recreational and disability gymnastics which provide the opportunity for everyone to learn gymnastics.*

## CHALLENGE

Corsham Gymnastics Academy was established in 2012, and quickly outgrew its original non-dedicated facility at a leisure centre location in Chippenham. It's inclusive ethos proved popular in the local community, and the club quickly built a large waiting list of young gymnasts which it could not service without moving to a larger dedicated space.

## SOLUTION

The club found a suitable facility at an industrial estate in the neighbouring town of Corsham and with investment from Club Capital, Corsham Gymnastics Academy moved into its first dedicated gymnastics facility, enabling them to expand their range of class delivery, and grow the number of gymnasts it was serving from 150 pre-investment to over 900 today (and still growing!).

## REVENUE

Income is generated from gymnastics classes and onsite coffee shop.

## IMPACT

The new larger, dedicated facility allows the club to provide a wider range of gymnastics classes to those with differing abilities and sensory needs. They also have a programme to enable access for children that are home schooled.
